TEST 4/SEMESTER MIDPOINT: will return test tomorrow; semester midpoint this Friday

TERM-PAPER PROPOSALS: will return tomorrow (Friday)

FINISH NISUS & EURYALUS:

AUDITE:

Vergilius est magnus poēta Rōmānus; scrīpsit magnam fābulam dē bellō Trōiānō. Nōmen huius fābulae est AENEIS. In Aenēide sunt multae fābulae. Ūna fābula dicit dē Lāocoonte et filiīs et malīs serpentibus; est in secundō librō Aenēidis. Hodīe aliam fābulam dē bellō Trōiānō habēmus; est in nōnō librō Aenēidis. QUID SIGNIFICAT IN ANGLICA?

In hāc fābulā sunt duo Trōiānī iuvenēs, Nīsus et Euryalus. QUID SIGNIFICAT IUVENIS? [HIC DISCIPULUS EST IUVENIS; ESTNE MAGISTER IUVENIS?] Hī sunt iuvenēs magnae virtūtis. Rutulī sunt populus in Italiā; Nīsus et Euryalus multōs Rutulōs superant. Tum Volcēns, rēx Rutulōrum, illōs iuvenēs videt et multōs Rutulōs contrā illōs dūcit. Rutulī Euryalum superant, et Nīsus amīcum servāre nōn potest; tum Rutulī Nīsum quoque superant. Rutulī Nīsum et Euryalum necant! Ō miserōs iuvenēs! Ō miseram fābulam!

FINISH READING/TRANSLATING. CONCLUDE with reading from Mandelbaum's translation, lines 417-454, and distrib. handout of Mand. 555-97 = Aen. 9.416-49

GRAMMATICA NOVA
