

❁ Fābula dē Prōfessōre Latīnae ❁

Ubi Doctor Illa Flōra erat discipulus iuvenis, linguam Latīnam amābat ♡; Latīnae in altā scholā, collegiō, et scholā graduātā studēbat. Nunc est prōfessor Latīnae in Universitāte Georgiae et multās discipulās discipulōsque in Latīnā MI classe habet; Latīnam amat et amat omnēs hōs studentēs. Est trīstis ☹ quod est fīnis semestrī et studentēs nōn iterum vidēbit; hodiē dīcet, “Valēte et bonam fortūnam habēte, vōs omnēs,” sed hās discipulās discipulōsque in memoriā semper habēbit. ☺

Carpite omnēs diēs!

Tenēte haec in memoriā, vōs omnēs:

Citius, altius, fortius!

(Motto of the Olympics)

Mēns sāna in corpore sānō

(What allmen should pray for: Juvenal)

Omnia disce-vidēbis postea nihil esse superfluum

(Hugh of St. Victor, 12th c. French theologian)
