In libellō nostrō sunt duae fābulae (*fābula*, *-ae*, “story”) quae dē Achille dīcunt, virō potentī cui Iuppiter vītā brevem sed multā glōriam dederat. Ūna ex hīs fābulis dīcit dē irā Achillis, cuius māter erat Thetis ipsa, dea maris. Achillēs illō tempore fuit dux Myrmidonum, quōs ex Graeciā ad bellum Trōiānum magnā cum virtūte dūxerat. Pater eius erat Pēleus, cuius pater fuerat Aeacus; māter Aeacī fuit Aegīna, quā cum Iuppiter sē in amōre iūxerat. Mīlia virōrum hās fābulās, quās poētae antīquī saepe recitābant, audivērunt.
